Julian Ignacio Cappellari

Cordoba, Argentina · https://www.linkedin.com/in/juliancappellari · +54 9 358-4317995 · juliancappellari11@gmail.com

Organized and responsible individual with leadership skills, currently studying Systems Engineering and seeking to gain experience in the programming field. Enthusiastic about facing new challenges and growing professionally in the tech industry.

PROFESSIONAL EXPERIENCE

Freelance Full Stack Developer   June 2022 – Present

- **Designed and developed** interactive and responsive websites using **React.js, Next.js, and Tailwind CSS**, enhancing user experience and accessibility across mobile and desktop devices.

- **Developed and deployed** robust APIs with **Node.js and Express**, enabling data integration and real-time functionality for web applications.

- **Designed and developed RESTful APIs using Java and Spring Boot,** providing scalable and secure backend services for web applications.

- Integrated Spring Boot APIs with front-end frameworks like React.js, **enabling seamless data exchange and improving application performance.**

- **Implemented full stack solutions** using **React, Node.js, and TypeScript**, from creating user interfaces to managing databases in **PostgreSQL and MySQL**.

- **Optimized SQL queries and designed database schemas** in **MySQL and PostgreSQL**, improving system efficiency and response speed.

- Utilized **Git and GitHub** for code versioning and team collaboration, ensuring efficient workflow and continuous integration.

Agricultural Assistant   January 2015 – May 2021
Family Business

- Assisted in various agricultural tasks, contributing to the efficient operation of the family farm.

Volunteer Firefighter   January 2015 – Present
Sociedad de Bomberos Voluntarios de Sampacho

- Provided emergency response services, demonstrating commitment and teamwork in high-pressure situations.

EDUCATION

Universidad Tecnológica Nacional – UTN   March 2021 – Present
Systems Engineering

Instituto Orientado y Agrotécnico Pablo A. Pizzurno   March 2015 – December 2020
Bachelor in Economics and Administration
